**Single Vineyard "ZYGOS"**  
*Regional Wine of Atalanti Valley*

**Type:** Red, dry

**Varieties:** 100% Cabernet Sauvignon

**Origin:** From 4,5 hectares of the selected **single vineyard 'Zygos'**, part of the privately owned vineyard of Domaine Hatzimichalis in Atalanti, Central Greece.

**Vinification:** : : Classic red vinification under controlled temperature. The wine matures for **24 months**, of which 12 months is in new French oak barriques.

**Alcoholic strength:** 13.5 % Vol.

**Ageing potential** You can enjoy it now or keep it for longer ageing at least 12-15 years.

**Tasting notes** Deep purple colour. Charming, multidimensional aromatic profile where aromas of red currants, blackcurrants and plums are combined with hints of cedar wood and tobacco. The presence of wood is intense but it is counterbalanced completely by the dense fruity character. In the mouth it presents ideal balance as the robust tannins are 'dressed up' with the fruit and warmth lines with elegance and class. Has firm tannins and a long persistent finish.

**Gastronomy – Serving temperature:** *Enjoy it with fine food. The roast lamb is undoubtedly its ideal partner. Try it with roast red meat, game and semi-hard cheeses.*  
**Best served at 18°C.**
