

Katogi Averoff Red 2006

Type: Dry red

Varieties : Cabernet Sauvignon 60%, Agiorgitiko 40%

Origin: Vineyards in the mountain region of Nemea, in the Communes of Asprokambos and Psari

Vinification: Classical red vinification in stainless tanks with a 20-25 days maceration and then drainage and pressing. Ageing for 12 months in oak barrels and 6 months in bottles

Alcoholic strength: 13 %

Tasting notes : A complex red with deep, attractive highlights. A distinctive bouquet arises from a balanced blend of the various fragrances with that of the oak. In the mouth, a soft fullness accompanies the rich aromatic qualities provided by the varieties and a long maturation in barrels at low, stable temperatures.

Gastronomy – Enjoy it with red meat dishes, grilled lamb, sausages and ham
