<b><u>Tasting Notes:</u></b>	<p>A unique, trendy rosé with a shade of 'salmon' color from Grenache Rouge.</p> <p>Notes of blooming flowers in a palette of herbs and marzipan that fill up your nose.</p> <p>Very delicate in the mouth, filled with freshness, satin structure that concludes in a very long aftertaste.</p> <p>Enjoy it at 8-10 degrees with sushi, fresh salad and summer fruits.</p>
